Dear Ms. Thomas:

On March 31, 2003 we received your complete Notice to conduct exploratory activities on the Blue Beauty #28 (UMC 182661) lode mining claim located in Section 27, T. 10 S., R. 6 W. Your Notice has been assigned serial number U-77799. Please refer to this number on any future correspondence relating to this Notice.

Our office received written notification that a financial guarantee in the amount of \$2,300.00 was satisfactorily accepted with our Bureau of Land Management Utah State Office on June 18, 2003. Your Notice meets the requirements of 43 CFR 3809.300 and 3809.500 and has been accepted as properly filed. You may commence operations as described in your Notice.

Your Notice will remain in effect for a period of two years (2) unless extended or closed according to Surface Management Regulations at 43 CFR 3809. Please notify this office when operations and subsequent reclamation are complete so that a follow-up inspection of the site can be made for closure.

Acceptance of this Notice will not now, or in the future, serve as a determination of the ownership or the validity of any mining claim to which it may relate.

Thank you for your cooperation. If you have any questions, or require additional information, please feel free to contact Cheryl Martinez of my staff at (801) 977-4371.

Sincerely,

Brad D. Palmer
